3. B. E-BIZ PROJECT:

As a step towards promoting online single window at national level for the business users, the Department has undertaken the eBiz project which is one of Mission Mode Projects (MMPs) under the National eGovernance Plan (NeGP). The objectives of setting up of the e-Biz Portal are to provide a number of services to business users covering the entire life cycle on their operation. The project aims at enhancing India’s business competitiveness through a service oriented, event-driven G2B interaction. The project involves setting up a comprehensive and integrated portal with services across central, state and local governments; that address all the needs of the businesses and industries. Nine Central Government Ministries/Departments/Offices and five State Governments (Haryana, Tamilnadu, Andhra, Maharashtra and Delhi) have been included under the Pilot Phase of the Project. At present, the Department is in the process of selection of Vendor through the system of bid process in consultation with stakeholders of the project.

The project will be for duration of 10 years. The pilot phase of the project will be completed within one year from the date it takes off and will provide 29 services at all three levels as indicated above. Subsequently the project will be expanded in the next 2 years throughout the country and cover all the services required by business houses. Finally, during the last 7 years of the project, it will be operated in a public-private partnership (PPP) mode with suitable arrangements for revenue sharing.
