## About Us

---

Japan Plus is a strategic bilateral initiative between India and Japan to promote, facilitate and retain Japanese investments in India. It is a dedicated, one stop shop team which works closely with Central and State Governments to handhold Korean investors throughout the investment lifecycle, providing strategic business advisory, policy guidance, location assessment, issue redressal and expansion support.

Japan Plus is housed within Invest India – National Investment Promotion and Facilitation Agency of India, a non-profit under Ministry of Commerce and Industry, Government of India.

# Success Stories

## One of Japan's largest apparel company in India:

Invest India hand-held the company right from the time the company first reached out to Invest India, during the Make in India roadshow, to the final stages before it opened its first store. Clarifications were provided on FDI policy, sourcing, GST applications, and other licensing through special sessions and meetings with the top policy makers and government stakeholders.
