JETRO Business Support Center in India (BSCI)

Location: 6th floor, EROS Corporate Tower, Nehru Place, New Delhi- 110019

JETRO is opening a Business Support Center in India (BSCI) in New Delhi to support small and medium companies from Japan. BSCI will be working in close cooperation with Japan Cell to support and facilitate the entry of potential Japanese investors, especially from the SME sector. BSCI will provide following services to Japanese SMEs;

i) Provide information on industrial structures, market shares and business practices in India with regard to procurement of raw materials, product sales and industry systems.
ii) Provide information on the regulations and incentives from Central and State governments:
iii) Provide an estimated cost of setting up operations in India.
iv) Help in finding possible locations for permanent office according to Japanese SME's needs.
v) Provide temporary offices that can be used up to 2 months.
vi) Conference rooms and Business Library facility to entrepreneurs
