This is with reference to your RTI application No. DOIPP/R/2016/80625 dated 27.12.2016, received in this section on 06.01.2017 on transfer under section 6(3) of the RTI Act, 2005 from Department of Commerce on 27.12.2016 vide reference number DOCOM/R/2016/50537 regarding information on Startups.

2. Reply to the questions is as under:

S.No	Question	Reply
1	Number, size, sector and location (state) of all Startups in India from January 2004 to December 2016.	As Startup India Initiative was launched on 16 th January, 2016 and registration of Startups was started from 1 st April, 2016, so you may find the list of Startups recognized by DIPP from 1 st April, 2016 till date at http://www.startupindia.gov.in/startup_registration.php .
2	Number, size, sector and location (state) of all Startups in India founded by women from January 2004 to December 2016.	Under Startup India Program, an entity is recognized as a Startup without any distinction irrespective of Category or Gender. So there is no such information available in the records kept with this public authority.
3	Number, size, sector and location (state) of all Startups in India founded by SC/ST Members from January 2004 to December 2016.	
4	Demographic information of the Startup founders (age, education, employment history and other available information on the founders).	In this context there is no such information available in the records kept with this public authority. So reply may be treated as NIL.

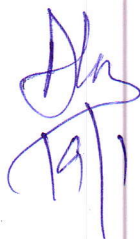

5	Funding released by the central government for the promotion of Startups.	As part of the Starup india Programme, a Fund of Funds for Startups was established with a corpus of Rs. 10,000 crores. Out of which, Rs. 500 crore has been released to SIDBI on March 30, 2016.
