DRAFT PRESS NOTE NO. (2010)

SUBJECT: FDI REGULATORY FRAMEWORK.

1.0 **INTENT AND OBJECTIVE**

1.1 'Investment' is usually understood as financial contribution to the equity capital of an enterprise or purchase of shares in the enterprise. 'Foreign investment' is investment in an enterprise by a Non-Resident irrespective of whether this involves new equity capital or re-investment of earnings. Foreign investment is of two kinds – (i) Foreign Direct Investment (FDI) and (ii) Foreign Portfolio Investment.

1.2 FDI is a category of cross border investment made by a resident in one economy (the direct investor) with the objective of establishing a 'lasting interest' in an enterprise (the direct investment enterprise) i.e. resident in an economy other than that of the direct investor. The motivation of the direct investor is a strategic long term relationship with the direct investment enterprise to ensure the significant degree of influence by the direct investor in the management of the direct investment enterprise. In India the 'lasting interest' is not evinced by any minimum holding of percentage of equity capital/shares/voting rights in the investment enterprise. Direct investment allows the direct investor to gain to the access of direct investment enterprise which it might otherwise be unable to do. The objectives of direct investment are different from those of portfolio investment whereby investors do not generally expect to influence the management of the enterprise.

1.3 It is the policy of the Government of India to attract and promote productive FDI from non-residents in activities which significantly contribute to industrialization and socio-economic development. FDI is encouraged in enterprises to significantly expand employment and livelihood opportunities, enhance economic value of products, promote welfare of consumers, increase exports and/or transfer technologies in all economic activities. FDI supplements the domestic capital and technology.

1.4 **The Legal basis:** Foreign Direct Investments by non-resident in resident entities through transfer or issue of security to person resident outside India is a 'Capital account transaction' and Government of India and Reserve bank of India regulate this under the FEMA 1999 and its various regulations. Keeping in view the current requirements, the Government comes up from time to time with new regulation, amends/changes in existing one through order/allied rules, Press Notes, etc. . The regulatory framework over a period of time thus consists of Acts, Regulations, Press Notes, Press Releases, Clarifications, etc.

1.5 This Press Note consolidates into one document all the prior regulations on FDI and reflects the current 'regulatory framework' on FDI. It is clarified that this is a consolidation/compilation and comprehensive listing of most matters on FDI and is not intended to make changes in the extant regulations. While attempt has been made to deal with the subject comprehensively, if some aspect(s) has been left out then that will continue to be dealt in the current way where it is listed.

1.6 It is the intent and objective of the Government to have a regulatory framework which is transparent, predictable, understandable, simple and clear to reduce the regulatory burden and promote foreign direct investment. The new system of continuous consolidation and updation is primarily evinced as a measure of investor and investment friendliness.

1.7 This Press Note will have a sunset clause of six months and will automatically lapse on 30th September, 2010. A new press Note on Regulatory Framework would be issued every six months which will incorporate and reflect all the changes in the regulations during the last intervening period of six months. Thus the Government will issue Press Note on FDI Regulatory Framework twice a year in April and October which would be the current regulatory framework on that date.

1.8 All earlier Press Notes on FDI issued by Department of Industrial Policy and Promotion, Government of India stand rescinded.

1.9 Notwithstanding the rescindment of earlier Press Notes, anything done or any action taken or purported to have been done or taken under the rescinded Press Notes shall in so far as it is not inconsistent with this Press Note be deemed to have been done or taken under the corresponding provisions of this Press Note.

(Gopal Krishna)

Joint Secretary to the Government of India

CHAPTER 2: SOURCE, TYPE, ELIGIBILITY, CONDITIONS AND ISSUE/TRANSFER OF INVESTMENT

3.0 SOURCE OF INVESTMENT IN INDIA

3.1 A non-resident entity (other than a citizen of Pakistan) or an entity incorporated outside India, (other than an entity incorporated in Pakistan) can invest in India, subject to the FDI Regulation of the Government of India. A person who is a citizen of Bangladesh or an entity incorporated in Bangladesh can invest in India under the FDI Regulation, under the Government route.

3.2 Investments from Nepal & Bhutan: NRI's, resident in Nepal and Bhutan as well as citizens of Nepal and Bhutan are permitted to invest in shares and convertible debentures of Indian companies on repatriation basis, subject to the condition that the amount of consideration for such investment shall be paid only by way of inward remittance in free foreign exchange through normal banking channels.

3.3 OCBs have been derecognized as a class of Investors in India with effect from September 16, 2003. Erstwhile OCBs which are incorporated outside India and are not under the adverse notice of RBI can make fresh investments under FDI Regulation as incorporated non-resident entities, with the prior approval of Government of India if the investment is through Government route; and with the prior approval of RBI if the investment is through Automatic route.

3.4 (i) An FII may invest in a particular share issue of an Indian company either under the FDI Scheme or the Portfolio Investment Scheme. (ii) The Indian company which has issued shares to FIIs under the FDI Regulation for which the payment has been received directly into company's account should report these figures separately under item no. 5 of Form FC-GPR (Annex) (Post-issue pattern of shareholding) so that the details could be suitably reconciled for statistical/monitoring purposes.

(ii) A daily statement in respect of all transactions (except derivative trade) have to be submitted by the custodian bank in floppy / soft copy in the prescribed format directly to RBI to monitor the overall ceiling/sectoral cap/statutory ceiling.

3.5 A Foreign venture capital Investor (FCVI) may contribute upto 100% of the capital of a domestic venture capital fund (VCF/VCC) and may also set up a domestic asset management company to manage the fund. They are also allowed to invest in other

companies subject to FDI Regulations. All investment are allowed under the Government route subject to SEBI and RBI regulations.

4.0 **TYPES OF INSTRUMENTS.**

4.1 Indian entities can issue equity shares, fully and mandatorily convertible debentures and fully and mandatorily convertible preference shares subject to pricing guidelines/valuation norms prescribed under FEMA Regulations.

4.2 Issue of other types of preference shares such as non-convertible, optionally convertible or partially convertible, have to be in accordance with the guidelines applicable for External Commercial Borrowings (ECBs). Since these instruments are denominated in Rupees, the rupee interest rate will be based on the swap equivalent of London Interbank offered Rate (LIBOR) plus the spread permissible for ECBs of corresponding maturity.

4.3 As far as debentures are concerned, only those which are fully and mandatorily convertible into equity, within a specified time would be reckoned as part of equity under the FDI Policy.

4.4 **Issue of shares by Indian Companies under FCCB/ADR/GDR**

- (i) Indian companies can raise foreign currency resources abroad through the issue of FCCB/DR(ADRs/GDRs), in accordance with the Scheme for issue of Foreign Currency Convertible Bonds and Ordinary Shares (Through Depository Receipt Mechanism) Scheme, 1993 and guidelines issued by the Government of India thereunder from time to time.
- (ii) A company can issue ADRs / GDRs if it is eligible to issue shares to persons resident outside India under the FDI Regulations. However, an Indian listed company, which is not eligible to raise funds from the Indian Capital Market including a company which has been restrained from accessing the securities market by the Securities and Exchange Board of India (SEBI) will not be eligible to issue ADRs/GDRs.
- (iii) Unlisted companies, which have not yet accessed the ADR/GDR route for raising capital in the international market, would require prior or simultaneous listing in the domestic market, while seeking to issue such overseas instruments. Unlisted companies, which have already issued ADRs/GDRs in the international market, have to list in the domestic market on making profit or within three years of such issue of ADRs/GDRs, whichever is earlier. ADRs / GDRs are issued on

the basis of the ratio worked out by the Indian company in consultation with the Lead Manager to the issue. The proceeds so raised have to be kept abroad till actually required in India. Pending repatriation or utilisation of the proceeds, the Indian company can invest the funds in:-

- (a) Deposits with or Certificate of Deposit or other instruments offered by banks who have been rated by Standard and Poor, Fitch, IBCA or Moody's, etc. and such rating not being less than the rating stipulated by Reserve Bank from time to time for the purpose;
 - (b) Deposits with branch/es of Indian Authorised Dealers outside India; and
 - (c) Treasury bills and other monetary instruments with a maturity or unexpired maturity of one year or less.
- (iv) There are no end-use restrictions except for a ban on deployment / investment of such funds in real estate or the stock market. There is no monetary limit up to which an Indian company can raise ADRs / GDRs.
- (v) The ADR / GDR proceeds can be utilised for first stage acquisition of shares in the disinvestment process of Public Sector Undertakings / Enterprises and also in the mandatory second stage offer to the public in view of their strategic importance.
- (vi) Voting rights on shares issued under the Scheme shall be as per the provisions of Companies Act, 1956 and in a manner in which restrictions on voting rights imposed on ADR/GDR issues shall be consistent with the Company Law provisions. Voting rights in the case of banking companies will continue to be in terms of the provisions of the Banking Regulation Act, 1949 and the instructions issued by the Reserve Bank from time to time, as applicable to all shareholders exercising voting rights.
- (vii) Erstwhile OCBs who are not eligible to invest in India and entities prohibited to buy, sell or deal in securities by SEBI will not be eligible to subscribe to ADRs / GDRs issued by Indian companies.
- (viii) The pricing of ADR / GDR issues should be made at a price determined under the provisions of the Scheme of issue of Foreign Currency Convertible Bonds and Ordinary Shares (Through Depository Receipt Mechanism) Scheme, 1993 and guidelines issued by the Government of India and directions issued by the Reserve Bank, from time to time.

(ix) The pricing of sponsored ADRs/GDRs would be determined under the provisions of the Scheme of issue of Foreign Currency Convertible Bonds and Ordinary Shares (Through Depository Receipt Mechanism) Scheme, 1993 and guidelines issued by the Government of India and directions issued by the Reserve Bank, from time to time.

4.5 (i) **Two-way Fungibility Scheme:** A limited two-way Fungibility scheme has been put in place by the Government of India for ADRs / GDRs. Under this Scheme, a stock broker in India, registered with SEBI, can purchase shares of an Indian company from the market for conversion into ADRs/GDRs based on instructions received from overseas investors. Re-issuance of ADRs / GDRs would be permitted to the extent of ADRs / GDRs which have been redeemed into underlying shares and sold in the Indian market.

(ii) **Sponsored ADR/GDR issue:** An Indian company can also sponsor an issue of ADR / GDR. Under this mechanism, the company offers its resident shareholders a choice to submit their shares back to the company so that on the basis of such shares, ADRs / GDRs can be issued abroad. The proceeds of the ADR / GDR issue is remitted back to India and distributed among the resident investors who had offered their Rupee denominated shares for conversion. These proceeds can be kept in Resident Foreign Currency (Domestic) accounts in India by the resident shareholders who have tendered such shares for conversion into ADRs / GDRs.

- (ii) General permission is also available for issue of shares/preference shares against lumpsum technical know-how fee, royalty, under automatic route or SIA/FIPB route, subject to pricing guidelines of SEBI/CCI and compliance with applicable tax laws.

(iii) Units in Special Economic Zones (SEZs) are permitted to issue equity shares to non-residents against import of capital goods subject to the valuation done by a Committee consisting of Development Commissioner and the appropriate Customs officials.

7.0 ISSUE OF INSTRUMENTS.

7.1 Issue of Rights/Bonus Shares – FEMA provisions allow Indian companies to freely issue Rights/Bonus shares to existing non-resident shareholders, subject to adherence to sectoral cap, if any. However, such issue of bonus / rights shares has to be in accordance with other laws/statutes like the Companies Act, 1956, SEBI (Disclosure and Investor Protection) Guidelines (in case of listed companies), etc. The price of shares offered on rights basis by the Indian company to non-resident shareholders shall not be lower than the price at which such shares are offered to resident shareholders.

7.2 Prior permission of RBI for Rights issue to erstwhile OCBs- OCBs have been de-recognised as a class of investors from September 16, 2003. Therefore companies desiring to issue rights share to such erstwhile OCBs will have to take specific prior permission from RBI. As such, entitlement of rights share is not automatically available to OCBs. However bonus shares can be issued to erstwhile OCBs without the approval of RBI.

7.3 Additional allocation of rights share by residents to non-residents – Existing non-resident shareholders are allowed to apply for issue of additional shares/convertible debentures/preference shares over and above their rights share entitlements. The investee company can allot the additional rights share out of unsubscribed portion, subject to the condition that the overall issue of shares to non-residents in the total paid-up capital of the company does not exceed the sectoral cap.

7.4 Acquisition of shares under Scheme of Merger/Amalgamation – Mergers and amalgamations of companies in India are usually governed by an order issued by a competent Court on the basis of the Scheme submitted by the companies undergoing merger/amalgamation. Once the scheme of merger or amalgamation of two or more Indian companies has been approved by a Court in India, the transferee company or new company is allowed to issue shares to the shareholders of the transferor company resident outside India, subject to the conditions that:

- (i) the percentage of shareholding of persons resident outside India in the transferee or new company does not exceed the sectoral cap, and

- (ii) the transferor company or the transferee or the new company is not engaged in activities which are prohibited under the FDI policy .

7.5 Issue of shares under Employees Stock Option Scheme (ESOPs) –

- (i) Listed Indian companies are allowed to issue shares under the Employees Stock Option Scheme (ESOPs), to its employees or employees of its joint venture or wholly owned subsidiary abroad who are resident outside India, other than to the citizens of Pakistan. Citizens of Bangladesh can invest with the prior approval of FIPB. Shares under ESOPs can be issued directly or through a Trust subject to the condition that:
 - (a) The scheme has been drawn in terms of relevant regulations issued by the SEBI, and
 - (b) The face value of the shares to be allotted under the scheme to the non-resident employees does not exceed 5 per cent of the paid-up capital of the issuing company.
- (ii) Unlisted companies have to follow the provisions of the Companies Act, 1956. The Indian company can issue ESOPs to employees who are resident outside India, other than to the citizens of Pakistan. ESOPs can be issued to the citizens of Bangladesh with the prior approval of the FIPB.
- (iii) The issuing company is required to report the details of such issues to the Regional Office concerned of the Reserve Bank, within 30 days from the date of issue of shares.

CHAPTER 3: CALCULATION, ENTRY ROUTE, CAPS, CONDITIONS, ETC. OF INVESTMENT

8.0 CALCULATION OF TOTAL FOREIGN INVESTMENT I.E. DIRECT AND INDIRECT FOREIGN INVESTMENT IN INDIAN COMPANIES.

8.1 Investment in Indian companies can be made both by non-resident as well as resident Indian entities. Any non-resident investment in an Indian company is direct foreign investment. Investment by resident Indian entities could again comprise of both resident and non-resident investment. Thus, such an Indian company would have indirect foreign investment if the Indian investing company has foreign investment in it. The indirect investment can be a cascading investment i.e. through multi-layered structure also.

8.2 For the purpose of computation of indirect Foreign investment, Foreign Investment in Indian company shall include all types of foreign investments i.e. FDI, investment by FIIs(holding as on March 31), NRIs, ADRs, GDRs, Foreign Currency Convertible Bonds (FCCB) and convertible preference shares, convertible Currency Debentures regardless of whether the said investments have been made under Schedule 1, 2, 3 and 6 of FEMA (Transfer or Issue of Security by Persons Resident Outside India) Regulations.

8.3 Guidelines for calculation of total foreign investment i.e. direct and indirect foreign investment in an Indian company.

(i) **Counting the Direct Foreign Investment:** All investment directly by a non-resident entity into the Indian company would be counted towards foreign investment.

(ii) **Counting of indirect foreign Investment:**

(a) The foreign investment through the investing Indian company would not be considered for calculation of the indirect foreign investment in case of Indian companies which are 'owned **and** controlled' by resident Indian citizens and/or Indian Companies which are owned and controlled by resident Indian citizens .

(b) For cases where condition (a) above is not satisfied or if the investing company is owned **or** controlled by 'non resident entities', the entire investment by the investing company into the subject Indian Company would be considered as indirect foreign investment,

(1) Provided that, as an exception, the indirect foreign investment in only the 100% owned subsidiaries of operating-cum-investing/investing companies, will be limited to the foreign investment in the operating-cum-investing/investing company. For the purposes of explanation, it is clarified that this exception is being made since the downstream investment of a 100% owned subsidiary of the holding company is akin to investment made by the holding company and the downstream investment should be a mirror image of the holding company.

(2) Illustration

To illustrate, if the indirect foreign investment is being calculated for Company A which has investment through an investing company B having foreign investment, the following would be the method of calculation:

(A) where Company B has foreign investment less than 50%- Company A would not be taken as having any indirect foreign investment through Company B.

(B) where Company B has foreign investment of say 75% and:

(I) invests 26% in Company A, the entire 26% investment by Company B would be treated as indirect foreign investment in Company A;

(II) Invests 80% in Company A, the indirect foreign investment in Company A would be taken as 80%

(III) where Company A is a wholly owned subsidiary of Company B (i.e. Company B owns 100% shares of Company A), then only 75% would be treated as indirect foreign equity and the balance 25% would be treated as resident held equity. The indirect foreign equity in Company A would be computed in the ratio of 75: 25 in the total investment of Company B in Company A.

(iii) The total foreign investment would be the sum total of direct and indirect foreign investment.

(iv) The above methodology of calculation would apply at every stage of investment in Indian Companies and thus to each and every Indian Company.

(v) Additional conditions:

(a) The full details about the foreign investment including ownership details etc. in Indian company(s) and information about the control of the company(s) would be furnished by the Company(s) to the Government of India at the time of seeking approval.

- (b) In any sector/activity, where Government approval is required for foreign investment and in cases where there are any *inter-se* agreements between/amongst share-holders which have an effect on the appointment of the Board of Directors or on the exercise of voting rights or of creating voting rights disproportionate to shareholding or any incidental matter thereof, such agreements will have to be informed to the approving authority. The approving authority will consider for determining ownership and control such *inter-se* agreements when considering the case for granting approval for foreign investment.
- (c) In all sectors attracting sectoral caps, the balance equity i.e. beyond the sectoral foreign investment cap, would specifically be beneficially owned by/held with/in the hands of resident Indian citizens and Indian companies, owned and controlled by resident Indian citizens.
- (d) In the I& B and Defense sectors where the sectoral cap is less than 49%, the company would need to be ‘owned **and** controlled’ by resident Indian citizens and Indian companies, which are owned and controlled by resident Indian citizens.
- (1) For this purpose, the equity held by the largest Indian shareholder would have to be at least 51% of the total equity, excluding the equity held by Public Sector Banks and Public Financial Institutions, as defined in Section 4A of the Companies Act, 1956. The term ‘largest Indian shareholder’, used in this clause, will include any or a combination of the following:
- (A) In the case of an individual shareholder,
- (I) The individual shareholder,
- (II) A relative of the shareholder within the meaning of Section 6 of the Companies Act, 1956.
- (III) A company/ group of companies in which the individual shareholder/HUF to which he belongs has management and controlling interest.
- (B) In the case of an Indian company,
- (I) The Indian company
- (II) A group of Indian companies under the same management and ownership control.

(2) For the purpose of this Clause, “Indian company” shall be a company which must have a resident Indian or a relative as defined under Section 6 of the Companies Act, 1956/ HUF, either singly or in combination holding at least 51% of the shares.

(3) Provided that, in case of a combination of all or any of the entities mentioned in Sub-Clauses (i) and (ii) of clause 8.3(v)(d)(1) above, each of the parties shall have entered into a legally binding agreement to act as a single unit in managing the matters of the applicant company.

(e) If a declaration is made by persons as per section 187C of the Indian Companies Act about a beneficial interest being held by a non resident entity, then even though the investment may be made by a resident Indian citizen, the same shall be counted as foreign investment.

(vi) The above mentioned policy and the methodology would be applicable for determining the total foreign investment in all sectors, excepting in sectors where it is governed specifically under any statutes or rules thereunder. Thus, for the present purposes this methodology will not be applicable in the Insurance Sector where it will continue to be governed by the relevant Regulation.

8.4 Any foreign investment already made in accordance with the guidelines in existence prior to February 13, 2009(date of issue of Press Note 2 of 2009) would not require any modification to conform with these guidelines. All other investments, past and future, would come under the ambit of these new guidelines.

9.0 ENTRY ROUTES FOR INVESTMENT:

(i) Investments can be made by non-residents in the shares/convertible debentures/preference shares of an Indian company, through two routes; the Automatic Route and the Government Route. Under the Automatic Route, the foreign investor or the Indian company does not require any approval from the Reserve Bank or Government of India for the investment. Under the Government Route, prior approval of the Government of India through Foreign Investment Promotion Board (FIPB) is required.

(ii) Investment would be subject to the ‘Previous/existing venture/tie-up condition’.

(iii) Guidelines for transfer of ownership or control of Indian companies in sectors with caps from resident Indian citizens to non-resident entities in sectors with caps:

(a) In sectors with caps, including *inter alia* defence production, air transport services, ground handling services, asset reconstruction companies, private sector banking, broadcasting, commodity exchanges, credit information companies, insurance, print media, telecommunications and satellites, Government approval/FIPB approval would be required in all cases where:

(b) An Indian company is being established with foreign investment and is owned by a non-resident entity or

(c) An Indian company is being established with foreign investment and is controlled by a non-resident entity or

(d) The control of an existing Indian company, currently owned or controlled by resident Indian citizens and Indian companies, which are owned or controlled by resident Indian citizens, will be/is being transferred/passed on to a non-resident entity as a consequence of transfer of shares to non-resident entities through amalgamation, merger, acquisition etc. or

(e) The ownership of an existing Indian company, currently owned or controlled by resident Indian citizens and Indian companies, which are owned or controlled by resident Indian citizens, will be/is being transferred/passed on to a non-resident entity as a consequence of transfer of shares to non-resident entities through amalgamation, merger, acquisition etc.

(f) It is clarified that these guidelines will not apply for sectors/activities where there are no foreign investment caps, that is, 100% foreign investment is permitted under the automatic route.

(g) It is also clarified that Foreign investment shall include all types of foreign investments i.e. FDI, investment by FIIs, NRIs, ADRs, GDRs, Foreign Currency Convertible Bonds (FCCB) and convertible preference shares, regardless of whether the said investments have been made under Schedule 1, 2, 3 and 6 of FEMA (Transfer or Issue of Security by Persons Resident Outside India) Regulations.

10.0 CAPS ON INVESTMENTS

10.1 Investments can be made by non-residents in the capital of an Indian entity only to the extent of the percentage of the total capital. Thus investment can be prohibited in

some sectors/activities or their can be a restriction through a CAP on the investment for other sector/activities ,while in others there may not be any restrictions and the total 100% capital can be held by non resident entities. The caps in various sector(s)/activity are detailed out later in this regulation.

11.0 ENTRY CONDITIONS ON INVESTMENT

11.1 Investments can be allowed by non-residents in the capital of an Indian entity in certain sectors/activity with entry conditions. These entry conditions are then only applicable for investment by non-resident entities. The usual conditions are about minimum capital that is to be inducted/brought in, etc. The ENTRY CONDITIONS in various sector(s)/activity are detailed out later in this regulation.

12.0 OTHER CONDITIONS ON INVESTMENT BESIDES ENTRY CONDITIONS

12.1 Besides the entry conditions on foreign investment, the investment/investors have to also comply with all relevant sectoral laws, regulations, conditions like obtaining of licence etc.

12.2 The security related conditions as contained in specific statutes will also have to be complied with.

12.3 The State Governments/Union Territories have regulations in relations to the subjects in their legislative domain. These conditions also have to be met/complied with.

13.0 DOWNSTREAM INVESTMENT BY INDIAN COMPANIES

13.1 The Policy for downstream investment by Indian companies seeks to lay down and clarify about compliance with the Foreign investment norms on entry route, conditionalities and sectoral caps. The ‘guiding principle’ is that downstream investment by companies ‘owned’ or ‘controlled’ by non resident entities would require to follow the same norms as a direct foreign investment i.e. only as much can be done by way of indirect foreign investment through downstream investment in Para 8 as can be done through direct foreign investment and what can be done directly can be done indirectly under same norms.

13.2 The Guidelines for calculation of total foreign investment, both direct and indirect in an Indian company, at every stage of investment, including downstream investment, have

been detailed in Para 8 which enables determination of total foreign investment in any/all Indian Companies.

13.3 Definitions:

- (i) 'Operating Company' is an Indian company which is undertaking operations in various economic activities and sectors.
- (ii) 'Downstream investment' means indirect foreign investment by one Indian company into another Indian company by way of subscription or acquisition in terms of Para 8. Para 8.3 provides the guidelines for calculation of indirect foreign investment with conditions specified in para 8.5
- (iii) 'Investing Company' means an Indian Company holding only investments in another Indian company, directly or indirectly, other than for trading of such holdings/securities.
- (iv) 'Foreign Investment' would have the same meaning as in Para 8

13.4 Guidelines for downstream investment by Investing Indian Companies 'owned or controlled by non resident entities' as per Para 8:

- (i) The Policy on downstream investment comprises policy for (a) only operating companies (b) operating-cum-investing companies (c) only investing companies as below:
- (ii) Only operating companies: Foreign investment in such companies would have to comply with the relevant sectoral conditions on entry route, conditionalities and caps with regard to the sectors in which such companies are operating.
- (iii) Operating-cum-investing companies: Foreign investment into such companies would have to comply with the relevant sectoral conditions on entry route, conditionalities and caps with regard to the sectors in which such companies are operating. Further, the subject Indian companies into which downstream investments are made by such companies would have to comply with the relevant sectoral conditions on entry route, conditionalities and caps in regard of the sector in which the subject Indian companies are operating.
- (iv) Investing companies: Foreign Investment in Investing Companies will require the prior Government/FIPB approval, regardless of the amount or extent of foreign investment. The Indian companies into which downstream investments are made by such investing companies would have to comply with the relevant sectoral conditions on entry route, conditionalities and caps in regard of the sector in which the subject Indian companies are operating.

13.5 For companies which do not have any operations and also do not have any downstream investments, for infusion of foreign investment into such companies, Government/FIPB approval would be required, regardless of the amount or extent of foreign investment. Further, as and when such company commences business(s) or makes downstream investment it will have to comply with the relevant sectoral conditions on entry route, conditionalities and caps.

13.6. For Operating-cum- investing companies and investing companies (Para 14.4) and for companies as per para 14.5 above, downstream investments can be made subject to the following conditions:

- (i) Such company is to notify SIA, DIPP and FIPB of its downstream investment within 30 days of such investment even if equity shares/CCPS/CCD have not been allotted along with the modality of investment in new/existing ventures (with/without expansion programme);
- (ii) downstream investment by way of induction of foreign equity in an existing Indian Company to be duly supported by a resolution of the Board of Directors supporting the said induction as also a shareholders Agreement if any;
- (iii) issue/transfer/pricing/valuation of shares shall be in accordance with applicable SEBI/RBI guidelines;
- (iv) Investing companies would have to bring in requisite funds from abroad and not leverage funds from domestic market for such investments. This would, however, not preclude downstream operating companies to raise debt in the domestic market.

14.0 **GUIDELINES FOR CONSIDERATION OF FDI PROPOSALS BY FIPB:**

14.1 The following guidelines are laid down to enable the FIPB to consider the proposals for FDI and formulate its recommendations.

14.2 All applications should be put up before the FIPB by the Secretariat within 15 days and it should be ensured that comments of the administrative ministries are placed before the Board either prior to/or in the meeting of the Board.

14.3 Proposals should be considered by the Board keeping in view the time frame of thirty (30) days for communicating Government decision .

14.4 In cases in which either the proposal is not cleared or further information is required in order to obviate delays presentation by applicant in the meeting of the FIPB should be resorted to.

14.5 While considering cases and making recommendations, FIPB should keep in mind the sectoral requirements and the sectoral policies vis-à-vis the proposal (s).

14.6 FIPB would consider each proposal in totality

14.7 The Board should examine the following while considering proposals submitted to it for consideration.

- (i) whether the items of activity involve industrial licence or not and if so the considerations for grant of industrial licence must be gone into;
- (ii) whether the proposal involves any export projection and if so the items of export and the projected destinations.
- (iii) Whether the proposal has any strategic or defence related considerations.

14.8 While considering proposals the following may be prioritised.

- (i) Items falling in infrastructure sector.
- (ii) Items which have an export potential.
- (iii) Items which have large scale employment potential and especially for rural people.
- (iv) Items which have a direct or backward linkage with agro business/farm sector.
- (v) Items which have greater social relevance such as hospitals, human resource development, life saving drugs and equipment.
- (vi) Proposals which result in induction of technology or infusion of capital.

14.9 The following should be especially considered during the scrutiny and consideration of proposals.

- (i) The extent of foreign equity proposed to be held (keeping in view sectoral caps if any
- (ii) Extent of equity from the point of view whether the proposed project would amount to a holding company/wholly owned subsidiary/a company with dominant foreign investment (i.e. 76% or more) joint venture.
- (iii) Whether the proposed foreign equity is for setting up a new project (joint venture or otherwise) or whether it is for enlargement of foreign/NRI equity or whether it is for fresh induction of foreign equity/NRI equity in an existing Indian company.
- (iv) In the case of fresh induction offerings/NRI equity and/or in cases of enlargement of foreign/NRI equity, in existing Indian companies whether there is a resolution

of the Board of Directors supporting the said induction/enlargement of foreign/NRI equity and whether there is a shareholders agreement or not.

- (v) In the case of induction of fresh equity in the existing Indian companies and/or enlargement of foreign equity in existing Indian companies, the reason why the proposal has been made and the modality for induction/enhancement (i.e. whether by increase of paid up capital/authorized capital, transfer of shares (hostile or otherwise) whether by rights issue, or by what modality.
- (vi) Issue/transfer/pricing of shares will be as per SEBI/RBI guidelines.
- (vii) Whether the activity is an industrial or a service activity or a combination of both.
- (viii) Whether the items of activity involves any restriction by way of reservation for the small scale sector.
- (ix) Whether there are any sectoral restrictions on the activity
- (x) Whether the proposal involves import of items which are either hazardous, banned or detrimental to environment (e.g. import of plastic scrap or recycled plastics).

14.10 No condition specific to the letter of approval issued to a foreign investor would be changed or additional condition imposed subsequent to the issue of a letter of approval. This would not prohibit changes in general policies and, regulations applicable to the industrial sector.

14.11 Where in case of a proposal (not being 100% subsidiary) foreign direct investment has been approved upto a designated percentage of foreign equity in the joint venture company, the percentage of resident entities would not be reduced while permitting induction of additional capital subsequently. Also in the case of approved activities, if the foreign investor(s) concerned wishes to bring in additional capital on later dates keeping the investment to such approved activities, FIPB would recommend such cases for approval on an automatic basis.

14.12 As regards proposal for private sector banks, the application would be considered only after “in principle” permission is obtained from the Reserve Bank of India (RBI).

15.0 **CONSTITUTION OF FIPB :**

FIPB comprises of the following Core Group of Secretaries to the Government of India:

- (i) Secretary to Government, Department of Economic Affairs, Ministry of Finance – Chairperson
- (ii) Secretary to Government, Department of Industrial Policy & Promotion, Ministry of Commerce & Industry
- (iii) Secretary to Government, Department of Commerce, Ministry of Commerce & Industry
- (iv) Secretary to Government, Economic Relations, Ministry of External Affairs
- (v) Secretary to Government, Ministry of Overseas Indian Affairs.

The Board would be able to co-opt other Secretaries to the Government of India and top officials of financial institutions, banks and professional experts of Industry and Commerce, as and when necessary.

AGRICULTURE

17.0 Agriculture & Animal Husbandry

17.1 100% FDI is allowed under automatic route in Floriculture, Horticulture, Development of Seeds, Animal Husbandry, Pisciculture, Aquaculture and Cultivation of Vegetables & Mushrooms under controlled conditions and services related to agro and allied sectors.

Note: Besides the above, FDI is not allowed in any other agricultural sector/activity.

17.2 Plantation - including tea plantation.

17.3 100% FDI is allowed in the Tea sector including tea plantations under Government route subject to the conditions of :

- (i) Compulsory divestment of 26% equity of the company in favour of an Indian partner/Indian public within a period of 5 years
- (ii) Prior approval of the State Government concerned in case of any future land use change.

Note: Besides the above, FDI is not allowed in any other plantation sector/activity.

INDUSTRY

18.0 MINING

18.1 100% FDI is allowed under the automatic route in Mining and Exploration of metal and non-metal ores including diamond, gold, silver and precious ores but excluding titanium bearing minerals and its ores; all other minerals subject to the Mines and Minerals(Development & Regulation) Act 1957.

18.2 Coal and Lignite

(i) 100% FDI is allowed under the automatic route in Coal & Lignite mining for captive consumption by power projects, iron & steel and cement units and other eligible activities permitted under and subject to the provisions of Coal Mines (Nationalisation) Act, 1973.

(ii) 100% FDI is allowed for setting up coal processing plants like washeries subject to the condition that the company shall not do coal mining and shall not sell washed coal or sized coal from its coal processing plants in the open market and shall supply the washed or sized coal to those parties who are supplying raw coal to coal processing plants for washing or sizing.

18.3 Mining and mineral separation of titanium bearing minerals and ores, its value addition and integrated activities.

18.3(i) India has large reserves of beach sand minerals in the coastal stretches around the country. Titanium bearing minerals viz. Ilmenite, rutile and leucoxene, and Zirconium bearing minerals including zircon are some of the beach sand minerals which have been classified as “prescribed substances” under the Atomic Energy Act, 1962.

(ii) Under the Industrial Policy Statement 1991, mining and production of minerals classified as “prescribed substances” and specified in the Schedule to the Atomic Energy (Control of Production and Use) Order, 1953 were included in the list of industries reserved for the public sector. Vide Government of India Resolution No. 8/1(1)/97-PSU/1422 dated 6th October 1998 issued by the Department of Atomic Energy laying down the policy for exploitation of beach sand minerals, private participation including Foreign Direct Investment (FDI), was permitted in mining and production of Titanium ores (Ilmenite, Rutile and Leucoxene) and Zirconium minerals (Zircon). FDI up to 74% was permitted with prior approval of the Government in pure value addition projects without mining and mineral separation as well as integrated projects comprising both mining & mineral separation and value addition.

(iii) Vide Government of India Notification No. S.O.61(E) dated 18.1.2006, the Department of Atomic Energy re-notified the list of “prescribed substances” under the Atomic Energy Act 1962. Titanium bearing ores and concentrates (Ilmenite, Rutile and Leucoxene) and Zirconium, its alloys and compounds and minerals/cpmcentrates including Zircon, were removed from the list of “prescribed substances”.

(iv) FDI up to 100% will be allowed under Government route in mining and mineral separation of titanium bearing minerals & ores, its value addition and integrated activities subject to sectoral regulations and the Mines and Minerals (Development and Regulation Act 1957).

(v) (a) FDI for separation of titanium bearing minerals & ores will be subject to the following additional conditions viz.:

(A) value addition facilities are set up within India along with transfer of technology;

(B) disposal of tailings during the mineral separation shall be carried out in accordance with disposal of tailings during the mineral separation shall be carried out in accordance with regulations framed by the Atomic Energy Regulatory Board such as Atomic Energy (Radiation Protection) Rules, 2004 and the Atomic Energy (Safe Disposal of Radioactive Wastes) Rules, 1987.

(vi) FDI will not be allowed in mining of “prescribed substances” listed in the Government of India Notification No. S.O. 61(E) dated 18.1.2006 issued by the Department of Atomic Energy.

MANUFACTURING

19.0 Manufacture of items reserved for production in Small Scale Sector

19.1 Any industrial undertaking, with or without FDI, which is not a Medium or Small Scale Enterprise as defined in the Micro, Small and Medium Enterprises Development Act, 2006, manufacturing items reserved for manufacture in the MSE sector (presently 21 items) as per the Industrial Policy, would require Government route where foreign investment is more than 24% in the equity capital. Such an undertaking would also require an Industrial License under the Industries (Development & Regulation) Act 1951, for such manufacture. The issue of Industrial License is subject to a few general conditions and the specific condition that the Industrial Undertaking shall undertake to ‘Export a minimum of 50% of the new or additional annual production of the MSE reserved items to be achieved within a maximum period of three years. The export obligation would be applicable from the date of commencement of commercial production’.

20.0 Cigars & Cigarettes Manufacture: 100% FDI is allowed under Government route and subject to the of Industrial licence under the Industries(Development & Regulation) Act 1951.

21.0 Coffee & Rubber processing and warehousing : 100% FDI is allowed under the automatic route.

22.0 Defence Industry

22.1 FDI is permissible up to 26%, under Government route subject to Industrial license under the Industries (Development & Regulation) Act 1951 and the following conditions:

- (i) Licence applications will be considered and licences given by the Department of Industrial Policy & Promotion, Ministry of Commerce & Industry, in consultation with Ministry of Defence.
- (ii) Cases involving FDI will be considered by the FIPB and licences given by the Department of Industrial Policy & Promotion in consultation with Ministry of Defence.
- (iii) The applicant should be an Indian company / partnership firm.
- (iv) The management of the applicant company / partnership should be in Indian hands with majority representation on the Board as well as the Chief Executives of the company / partnership firm being resident Indians.
- (v) Full particulars of the Directors and the Chief Executives should be furnished along with the applications.
- (vi) The Government reserves the right to verify the antecedents of the foreign collaborators and domestic promoters including their financial standing and credentials in the world market. Preference would be given to original equipment manufacturers or design establishments, and companies having a good track record of past supplies to Armed Forces, Space and Atomic energy sections and having an established R & D base.
- (vii) There would be no minimum capitalization for the FDI. A proper assessment, however, needs to be done by the management of the applicant company depending upon the product and the technology. The licensing authority would satisfy itself about the adequacy of the net worth of the foreign investor taking into account the category of weapons and equipment that are proposed to be manufactured.
- (viii) There would be a three-year lock-in period for transfer of equity from one foreign investor to another foreign investor (including NRIs & OCBs with 60% or more NRI stake) and such transfer would be subject to prior approval of the FIPB and the Government.
- (ix) The Ministry of Defence is not in a position to give purchase guarantee for products to be manufactured. However, the planned acquisition programme for such equipment and overall requirements would be made available to the extent possible.

- (x) The capacity norms for production will be provided in the licence based on the application as well as the recommendations of the Ministry of Defence, which will look into existing capacities of similar and allied products.
- (xi) Import of equipment for pre-production activity including development of prototype by the applicant company would be permitted.
- (xii) Adequate safety and security procedures would need to be put in place by the licensee once the licence is granted and production commences. These would be subject to verification by authorized Government agencies.
- (xiii) The standards and testing procedures for equipment to be produced under licence from foreign collaborators or from indigenous R & D will have to be provided by the licensee to the Government nominated quality assurance agency under appropriate confidentiality clause. The nominated quality assurance agency would inspect the finished product and would conduct surveillance and audit of the Quality Assurance Procedures of the licensee. Self-certification would be permitted by the Ministry of Defence on case to case basis, which may involve either individual items, or group of items manufactured by the licensee. Such permission would be for a fixed period and subject to renewals.
- (xiv) Purchase preference and price preference may be given to the Public Sector organizations as per guidelines of the Department of Public Enterprises.
- (xv) Arms and ammunition produced by the private manufacturers will be primarily sold to the Ministry of Defence. These items may also be sold to other Government entities under the control of the Ministry of Home Affairs and State Governments with the prior approval of the Ministry of Defence. No such item should be sold within the country to any other person or entity.
